English:

- My Spelling Workbook – unit 17 page 66 – learn first four spellings (chase-grease) and complete activity No. 1 in workbook. Spend 10 minutes on the crossword.
- Handwriting - complete half of the next page you are on in Go with the Flow

Maths:

Maths

This week we are going to look at directed numbers.

Directed numbers might sound confusing but it is just an introduction to positive and negative numbers.

Your task for today is [to watch this video](#). It explains positive and negative numbers really well.

Then answer the questions in the assignment.

Tables Champion: Do Monday's tables for the next week. (This will vary from pupil to pupil, simply go to the last week you have completed and do Monday of the following week).

Religion:

This week and next if you wish, can you try out some of [these family games](#) from a website called Catholic Mom. They are intended to be optional, fun and family friendly.

Music:

This week we are going to learn about a famous composer called Tchaikovsky and listen to some of his music. Watch this short Youtube biography about his life.

<https://www.youtube.com/watch?v=5DIhan81qB0>

Watch a performance of "Dance of the Sugar Plum Fairies" here

https://www.youtube.com/watch?v=Wz_f9B4pPtg&feature=emb_logo

Watch an orchestra performing "Waltz of the Flowers" also by Tchaikovsky.

https://www.youtube.com/watch?v=VUF9g9V-Ang&feature=emb_logo

Read a little more about Tchaikovsky and listen to two more musical pieces, "Russian Dance" and "Dance of the Reed Pipes"

https://www.classicsforkids.com/composers/composer_profile.php?id=75

Now go to the Assignments section on Teams and complete the assignment where you will write five things you learned about Tchaikovsky and describe which piece of music you liked the most and why.

Tuesday 26th May

Gaeilge:

- Fuaimanna agus Focail – aonad 30 page 91 – list 2 (learn next 4 words) complete C and D in workbook.

English:

- My Spelling Workbook - unit 17 – next 4 to learn – complete no.2 and continue with crossword.
- Handwriting - complete second half of the page from yesterday in Go with the Flow
- Reading Zone - Read the story “The Baby Sentry” (unit 29 pg. 135-137). Answer the questions based on the story in Assignments.

Maths:

Today is mostly a revision of yesterday. However, it is presented in a different way. You need to look at the PowerPoint and then answer the questions in the assignment.

The PowerPoint is called Negative and Positive Numbers and is on the Files section of Teams. Every day, I will also post the pages you need into the general post area of Teams.

This number line might be useful for the assignment.

Also:

Tables Champion: Do Tuesday's tables for the next week. (This will vary from pupil to pupil).

Religion:

This week and next if you wish, can you try out some of [these family games](#) from a website called Catholic Mom. They are intended to be optional, fun and family friendly.

Music/Art:

Pick one of the pieces of music by Tchaikovsky that you listened to yesterday and illustrate/draw what it reminds you of, what do you imagine if you close your eyes and listen to the music. Maybe play it in the background as you draw! You can send me a picture of your illustration on Teams.

Wednesday 27th May

Gaeilge:

- Fuaimeanna agus Focail - aonad 30 – list 3 to learn – complete E and F in workbook
- Cuir 6 focail ó aonad 30 in abairtí. Pick 6 out of the 16 list words from aonad 30 and make simple sentences of your own. You will do this in the Assignment section. Remember, begin each sentence with a briathar (verb) For example – Chuir mé mo culaith shnámha orm agus thosaigh mé ag snámh.

English:

- My Spelling Workbook - unit 17 next 4 words – Complete No. 4 and crossword if not already completed.
- Handwriting – go on to the next page in Go with the Flow and complete half the page.
- Reading Zone - Vocabulary work based on the story “The Baby Sentry”. Go to Assignments to complete this work.

Maths:

Today you will practice using positive and negative numbers.

1. Here is a [Topmarks](#) game to help you practice positive and negative numbers. It should help you understand facts like -5 is a smaller number than 2. Your computer might ask you to enable Flash.
2. If Flash does not work then [try this activity](#). You must read the temperatures as fast as you can in one minute.
3. Finally, and optionally, you can try this [arcademics game](#). It involves adding and taking positive and negative numbers. It is a little tricky to get used to.

4. This [interactive worksheet](#) could help you if you feel you need a bit of practice.

There is no new assignment today for maths.

Tables Champion: Do Wednesday's tables for the next week. (This will vary from pupil to pupil).

Religion:

This week and next if you wish, can you try out some of [these family games](#) from a website called Catholic Mom. They are intended to be optional, fun and family friendly.

Music:

Click on this link to play some musical games! You can compose your own music, match the rhythm, see the instruments of the orchestra and more.
